1. You will recall that we had an offer from Britt Snider of the SSCI staff to assist in limiting the kind of EEO reports mandated by HPSCI under its version of the Intelligence Authorization Bill (HR. 4387). After conversations with DD/EEO, the Office of the Comptroller and the Deputy Director of Personnel, I have learned that all are comfortable with providing the information required by the HPSCI bill.

2. Based on this guidance, I will call Britt Snider and inform him that the Agency can live with the bill and report language as written and that we do not require his assistance.
